# A little about me

Hi! I'm Ella, your friendly face behind the camera & on the end of the phone when we chat about your Social Media needs! Since 2022, I've been capturing memories & magic across Canterbury & Auckland, and I've been so lucky to grow my passion & learn so much on this journey.

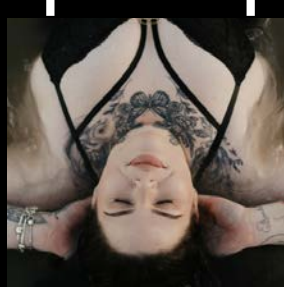

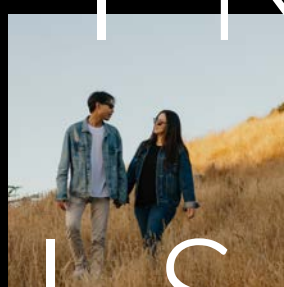

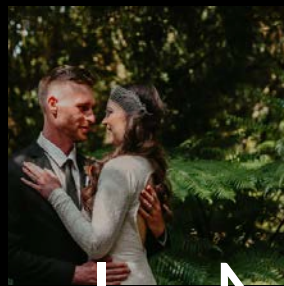

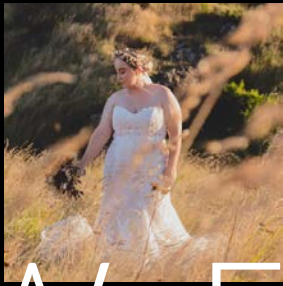

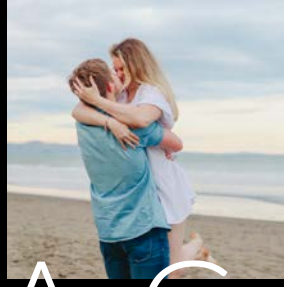

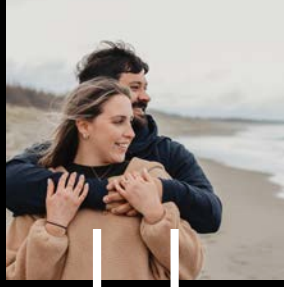

I graduated Unitec class of 2019 with my Bachelor of Screen Arts, where I discovered my love of photography quite by accident! I majored in Screenwriting, but picked up a camera outside of class one day & had a crack at capturing some moments at Uni. Quickly I fell in love with how it felt to just capture nothing important, and it all snowballed from there!

My goal with every shoot is to make you feel as comfortable as possible in front of the camera, and walk away with photos that you can treasure forever.

"Ella's style is intimate & captures the essence of all the special little moments"

- Becky, 2023 Bride
